

RIOC PARKS ALERT

CHERRY TREE REPLACEMENT

**DEAD TREES WILL BE REPLACED WITH TWENTY NEW TREES
STARTING SEPTEMBER 23rd**

Beginning Tuesday, September 24th, RIOC will be removing dead cherry trees from the West Promenade near Cornell Tech. On September 25th, RIOC will begin installing twenty (20) new cherry trees. Please note the work will be performed by a contractor who will be staging small pieces of equipment near the site but will not block traffic. The contractor will also have safety provisions for pedestrians. Work is expected to be concluded on Friday, September 27th. This may be delayed by severe weather. All work will begin promptly at 7:00AM.

As always, if you see any unsafe working conditions, please advise PSD immediately by calling 212-832-4545 or by making a complaint via our Occupant Help Center at <https://rioc.tikkit.us/login>
