## II. INTRODUCTION

The Roosevelt Island Operating Corporation (“RIOC”) was created by New York State as a public benefit corporation and charged with the duty to develop, operate and manage Roosevelt Island. To date, these broad goals have furthered the development of seven residential complexes, including a build-out that provides approximately 5,758 units of housing to this thriving mixed-income community. The Island’s 147 acres support a population of approximately 14,000 residents. RIOC operates an Aerial Tramway, an on-Island bus service, and maintains a safe environment for the Island’s residents, workers and visitors.

As part of its mission, RIOC strives to enhance the quality of life of Roosevelt Island residents and the people of New York State, by promoting public facilities, open spaces and commercial facilities on the Island. ## IX. SELECTION CRITERIA

Proposal Evaluation Criteria	Maximum Points
<p><b>1. <u>Experience and Qualifications:</u></b> This criterion will consider the Bidder's description of its experience and qualifications stated in the cover letter that MUST be included, as outlined above. Bidder should clearly delineate the role of any proposed subcontractors in the performance of the services. Qualifications will include business references and work samples, as applicable. Specifically, RIOC will evaluate the Bidder's experience by the number of years the Bidder (or its key personnel that will perform the work) has conducted the specified work along with performance on past, similar projects. Bidders must provide all certifications and must have a minimum, QEI, Qualified Elevator Inspector Certification. RIOC will also consider affiliations or partnerships that may contribute to the Bidder's qualifications.</p>	<b>40</b>
<p><b>2. <u>Ability to Perform the Required Services:</u></b> RIOC will conduct an evaluation of the bidder's approach to meeting the needs specified in the Scope of Services. RIOC will consider the relative experience demonstrated by the bidder in providing the services, as well as the degree to which the bidder's capability meets RIOC's needs. Depending on the nature of the project, RIOC may also consider whether the bidder's proposal demonstrates an efficient and practicable approach. Please see a sample "Consultant Evaluation Form" attached as "Appendix D" for typical criteria that RIOC will use internally to rate the bidders.</p>	<b>35</b>
<p><b>3. <u>Financial Capability:</u></b> RIOC will examine the financial information provided with the proposal (as specified in Appendix B, Schedule C), as well as pertinent information provided in the VendRep form in order to determine the Bidder's ability to perform the services. <u>These criteria are evaluated by RIOC's Fiscal Department.</u></p>	<b>5</b>
<p><b>4. <u>Fee:</u></b> Bidder should include their fees for services in the Fee Proposal Form (Appendix A). The Bidder with the lowest fee to RIOC will receive 10 points. All other Bidders will receive a percentage of points based on the variance of the compensation from the lowest proposal. Cost score is a calculation, not an analysis. RIOC will use the New York State Office of the State Comptroller's recommended formula for cost scores: <b>Max Points x (Lowest Bid ÷ Bid Being Evaluated).</b></p> <p><u>This criterion is calculated by Fiscal Department.</u></p>	<b>10</b>
<p><b>5. <u>Interview/Presentation:</u></b> RIOC will invite up to the top three scoring bidders for presentations. Firms should be able to present to the review panel on their methodology, goals for final deliverables and coordination intent with RIOC departments and external vendors. RIOC will then evaluate such finalists based on their ability to demonstrate sound knowledge in the areas of expertise. Presenters may receive up to 10 points for this interview.</p>	<b>10</b>
<p><b><u>Maximum Available Points:</u></b></p>	<b>100</b>

Staff responsible for the review and evaluation of proposals will independently review each proposal based on the criteria listed above. Each reviewer's score for criteria 1 and 2, will be combined to provide an average score. Scores for “Financial Capability” and “Fee” (criteria 3 and 4) are provided by RIOC’s Fiscal Department and added to create the average score.

Presentations are to be conducted as follows:

1. The top three rated finalists will be invited to make a brief presentation, which will undergo evaluation by an evaluation committee. Respondents will be asked to prepare a short 15-minute presentation to best demonstrate to RIOC their understanding of the Roosevelt Island-wide Elevator Assessment Plan and proposed project approach. The total time for prepared presentation and discussion will be limited to a maximum of one (1) hour. The Presentation should further demonstrate the Bidder's ability to provide the required services. Further information about the format of this stage of the evaluation may be requested at the time of invitation to present.
2. Following the Presentation(s), staff responsible for review and evaluation of the proposals will finalize the scoring of each finalist interviewed on the criteria listed above. The selection of the successful Bidders will be those with the highest combined average score.

## **X. INSURANCE REQUIREMENTS**

If the Contractor's Services are delayed by an act of RIOC or of another contractor employed by RIOC or by changes ordered by RIOC in the Services, or by labor disputes, fires, or other causes beyond the Contractor's control, or by delay authorized by RIOC, then the Contract Time shall be extended by Change Order for such reasonable time as RIOC may determine. The Contractor shall not be entitled to any extension of the Contract Time unless claim therefor is presented to RIOC as provided in Section 26.

Extension of the Contract Time as provided in this Section 7 shall be the Contractor's sole and exclusive remedy and compensation for delays, disruptions and hindrances of any kind. The Contractor agrees that it will make

## **APPENDIX B – STANDARD CONTRACT**

no claim against RIOC for increased compensation (other than extension of the Contract Time) or damages on account of any delay, disruption or hindrance due to any cause.

The President/Chief Executive Officer of RIOC, or his or her designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into questions the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the President/Chief Executive Officer of RIOC, or his or her designee, issues a written notice authorizing a resumption of performance under the Contract.

### **SECTION–8 - COMPTROLLER’S APPROVAL**

In accordance with Section 2879-a of the Public Authorities Law, if this contract exceeds \$1,000,000, it may be subject to the Comptroller’s approval.

### **SECTION–9 - TERMINATION**

RIOC may terminate the Contract prospectively upon five (5) business days' written notice, for convenience or for any other reason whatsoever. If the Contract is terminated, for default or cause, prior to any such termination RIOC shall give the Contractor written notice of the breach and five (5) business days to cure the breach (a “Cure Period”). Notwithstanding the foregoing, if RIOC in its sole discretion determines that a Cure Period would be futile, RIOC may terminate for default or cause without granting a Cure Period. However, if RIOC grants a Cure Period it is solely within RIOC’s discretion to determine whether the breach has been cured. Additionally, RIOC may, upon determining that the Contractor’s performance hereunder will endanger the public health or safety, terminate the Contract immediately. Upon termination for any reason, Contractor shall deliver all Records as defined in Sections 15 and 16 of this Schedule A within five (5) business days of termination.

To the extent this agreement is a “procurement contract” as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, RIOC may terminate the agreement by providing written notification to the Contractor in accordance with the terms hereof.

In addition, upon written notice to the Contractor, and a reasonable opportunity to be heard with appropriate RIOC officials or staff, the Contract may be terminated by President/Chief Executive Officer of RIOC, or his or her designee, at the Contractor’s expense where the Contractor is determined to the President/Chief Executive Officer of RIOC, or his or her designee, to be non-responsible. In such event, the President/Chief Executive Officer of RIOC, or his or her designee, may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

### **SECTION 10 - PAYMENTS**

Payments will be made only upon the receipt by the Vice President of Operations (or his/her designee) and the Finance Department, of a proper invoice submitted by the Contractor and that has been approved by the Vice President of Operations (or his/ her designee), in accordance with Schedule A and Schedule B2. The receipt of

## **APPENDIX B – STANDARD CONTRACT**

final payment electronically or the deposit of final payment by paper check by the Contractor shall constitute a waiver of any claims for payment for services rendered arising from this Contract by the Contractor against RIOC.

Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by RIOC's President, in his or her sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary RIOC procedures and practices. The Contractor shall comply with RIOC's procedures to authorize electronic payments. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with RIOC's electronic payment procedures, except where the RIOC President has expressly authorized payment by paper check as set forth above.

All payments for Work will be subject to the inspection, determination, and approval of Work by the Vice President of Operations (or his/her designee). RIOC may withhold payment, in whole or in part, to the extent reasonably necessary to protect RIOC from loss for which the Contractor is responsible, including loss because of: defective Work not remedied; third party claims filed or reasonable evidence indicating probable filing of such claims unless security acceptable to RIOC is provided by the Contractor; failure of the Contractor to make payments properly to subcontractors for labor, materials or equipment; reasonable evidence that the Work cannot be completed for the Contract Sum; damage to RIOC or another contractor; reasonable evidence that the Work cannot be completed within the Contract Time, and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or failure to carry out the Work in accordance with the Contract.

### **SECTION 11 - SET-OFF RIGHTS**

RIOC shall have all its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, RIOC's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract, or any other contract with RIOC up to any amounts due and owing to RIOC with regard to this contract, any other contract with RIOC, plus any amounts due and owing to RIOC for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties.

### **SECTION 12 - EXECUTORY CLAUSE**

In accordance with Section 41 of the State Finance Law, RIOC shall have no liability under this Contract to the Contractor or to anyone else beyond funds appropriated and available for this Contract.

### **SECTION 13 - INDEMNIFICATION**

To the fullest extent permitted by law, and in addition to any liability or obligation of the Contractor to RIOC that may exist under the Contract or by statute or otherwise, the Contractor hereby agrees to hold harmless, indemnify and defend RIOC, the New York State Urban Development Corporation d/b/a Empire State Development, the Division of Housing and Community Renewal, the State of New York, the City of New York, and any others listed in Schedule B1 and in each and every case, their directors, officers, employees, agents, consultants or contractors (hereinafter, collectively referred to as "Indemnitees"), from and against any damages, costs, claims or liabilities which Indemnitees may sustain as a result of any and all liabilities, losses, damages, interests, judgments, liens, costs and expenses (including without limitation, reasonable counsel fees and disbursements) claims, demands, suits, actions, or proceedings which may be made or brought against

## APPENDIX B – STANDARD CONTRACT

However, the Contractor shall not be obligated to hold harmless, indemnify and defend an Indemnatee to the extent of the Indemnatee's comparative negligence or willful misconduct. As a condition of the foregoing obligation, RIOC shall give the Contractor prompt notice of any claim for which indemnification is sought.

Indemnitees' directors, officers, and employees shall not be personally or individually liable to Contractor, and shall be held harmless, for any actions, losses, damages, claims, liabilities, costs or expenses (including without limitation, reasonable counsel fees and disbursements) in any way arising out of or relating to the Contract or the Services performed pursuant to it.

### **SECTION 14 - INSURANCE**

The Contractor shall insure and carry the following insurance, shall require each of its subcontractors to carry the following insurance, and agrees that the following insurance shall survive the expiration or termination of the Contract:

Such insurance is to be written on an occurrence basis and shall name each of the Indemnitees as an additional insured.

Automobile Liability and Property Damage Insurance in an amount not less than five hundred thousand dollars (\$500,000.00) combined single limit for both bodily injury and property damage;

The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as RIOC, shall have access to the Records during normal business hours at an office available, at a mutually agreeable and reasonable venue within the State of New York, for the term specified above for the purposes of inspection, auditing and copying. RIOC shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law ("Freedom of Information Law or FOIL") provided that: (i) the Contractor shall timely inform an appropriate RIOC official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under FOIL is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, RIOC's right to discovery in any pending or future litigation.

### **SECTION 16 - OWNERSHIP OF MATERIALS**

The Contractor shall provide all labor, materials and equipment necessary to perform and complete all Services. All machinery and/or replacement parts installed by the Contractor in the performance of Services pursuant to this Contract shall become and remain the exclusive property of RIOC.

### **SECTION 17 – ASSIGNMENT AND SUBCONTRACTING**

The Contractor shall not assign, transfer, subcontract or otherwise dispose of its rights, privileges or responsibilities under the terms of this Contract, without RIOC's prior written consent, which shall be in RIOC's sole discretion. In the event there is no prior written consent from RIOC, such assignment, transfer, subcontract or other disposition shall be void.

### **SECTION 18 - CONFLICTS OF INTEREST**

The Contractor represents that:

(a) No officer, employee, agent or director of RIOC, shall participate in any decision relating to this Contract which affects his personal interest or the interests of any corporation, partnership, or association in which he is

## **APPENDIX B – STANDARD CONTRACT**

directly or indirectly interested; nor shall any officer, agent, director or employee of RIOC have any interest, direct or indirect, in this Contract.

- (b) The Contractor shall cause, for the benefit of RIOC, every contract with any subcontractor to include the representations contained in subsection (a) of this Section. The Contractor will take such action in enforcing such provisions as RIOC may direct, or, at its option, assign such rights as it may have to RIOC for enforcement by RIOC.

### **SECTION 19 - NON-COLLUSIVE BIDDING CERTIFICATION**

If this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to RIOC a non-collusive bidding certification on Contractor's behalf.

### **SECTION 20 - AFFIRMATIVE ACTION AND NON-DISCRIMINATION AND NEW YORK STATE BUSINESS ENTERPRISES REQUIREMENTS**

Pursuant to New York State Executive Law Article 15-A, RIOC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority and women-owned business enterprises and the employment of minority group members and women in the performance of RIOC contracts. The Contractor agrees to be bound by the provisions of Article 15-A and the M/WBE Regulations promulgated by the Division of Minority and Women's Business Development of the Department of Economic Development (the "Division"). If any of the terms or provisions of this Contract conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

~~In 2006, the State of New York commissioned a disparity study to evaluate whether minority and women-owned business enterprises had a full and fair opportunity to participate in state contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of minority and women-owned business enterprises in state procurement contracting versus the number of minority and women-owned business enterprises that were ready, willing and able to participate in state procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the statewide certified minority and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that RIOC establish goals for maximum feasible participation of New York State Certified minority and women-owned business enterprises ("M/WBE") and the employment of minority group members and women in the performance of New York State contracts.~~

It is the policy of RIOC to comply with all federal, State and local law, policy, orders, rules and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, sexual orientation, age, military status, disability, predisposing genetic characteristic, marital status or domestic violence victim status, prior criminal conviction and prior arrest, and to take affirmative action in working with contracting parties to ensure that qualified State certified Minority Business Enterprises, and qualified State certified Women-owned Business Enterprises (MBEs/WBEs), Minority Group Members and women share in the economic opportunities generated by RIOC's participation in projects or initiatives, and/or the use of RIOC funds (from any source,

## APPENDIX B – STANDARD CONTRACT

including the United States of America).

RIOC is required to implement the provisions of New York State Executive Law Article 15-A and 5 NYCRR Parts 142-144 ("M/WBE Regulations") for all State contracts as defined therein, with a value (1) in excess of \$25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of \$100,000 for real property renovations and construction. The Contractor shall inform RIOC in writing of the individual designated as the Minority Business Enterprise Liaison responsible for administering the M/WBE and EEO programs.

For the purposes of this Contract, RIOC hereby establishes an overall goal of **30%** for M/WBE participation, for New York State-certified minority-owned business enterprise ("MBE") participation and for New York State-certified women-owned business enterprise ("WBE") participation (collectively "M/WBE Contract Goals") based on the current availability of MBEs and WBEs.

The Contractor agrees to use good faith efforts (5 NYCRR Part 142.8) to achieve utilization of MBEs and WBEs equal to **30%** of the total value of the Services under the Contract.

In order to maximize participation of Certified M/WBE's as subcontractors and suppliers with respect to this Contract, the Contractor is required to make the following efforts:

## APPENDIX B – STANDARD CONTRACT

- (1) attend meetings scheduled by RIOC where Bidders will be advised of general contract requirements and M/WBE program;
- (2) advertise, where appropriate, in general circulation media, trade association publications and small business media;
- (3) notify small, minority and women contractor associations by written solicitation of specific subcontracts;
- (4) send written notification to Certified M/WBEs that their interest in the Services is solicited;
- (5) actively and affirmatively solicit bids for contracts and subcontracts from qualified State certified MBEs or WBEs, including solicitations to M/WBE contractor associations;
- (6) ensure that plans, specifications, request for proposals and other documents used to secure bids will be made available in sufficient time for review by prospective M/WBEs;
- (7) where feasible, divide the work into smaller portions to enhance participation by M/WBEs and encourage the formation of joint venture and other partnerships among M/WBE contractors to enhance their participation;
- (8) document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. The Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals; and
- (9) ensure that progress payments to M/WBEs are made on a timely basis so that undue financial hardship is avoided, and, where appropriate, that bonding and other credit requirements are waived, or appropriate alternatives developed to encourage M/WBE participation.

The Contractor shall include a list of subcontractors and suppliers to demonstrate that the goals of this section for participation of M/WBEs will be achieved on the form entitled "Vendor/Contractor's Utilization Form".

RIOC will review the submitted utilization plan and advise the Contractor of RIOC's acceptance or issue a notice of deficiency within 30 days of receipt. If a notice of deficiency is issued, the Contractor agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to RIOC a written remedy in response to the notice of deficiency. If the written remedy that is submitted is found by RIOC to be inadequate despite good faith efforts having been made by the Contractor, RIOC shall notify the Contractor and may direct the Contractor to submit, within five (5) business days, a request for a partial or total waiver of M/WBE participation goals. Without limiting any other provisions contained in the Contract Documents, RIOC may disqualify a Contractor as being non-responsive under the following circumstances: (a) a Contractor fails to timely submit a Vendor/Contractor's Utilization Form; (b) a Contractor fails to timely submit a written remedy to a notice of deficiency; (c) a Contractor fails to timely request a waiver; or (d) RIOC determines that the Contractor has failed to document good faith efforts. Such documentation shall include, but not necessarily be limited to:

- a) Evidence of outreach to M/WBEs;
- b) Any responses by M/WBEs to the Contractor's outreach;
- c) Copies of advertisements for participation by M/WBEs in appropriate general circulation, trade, and minority or women-oriented publications;

## APPENDIX B – STANDARD CONTRACT

- d) The dates of attendance at a pre-bid, pre-award, or other meetings, if any, schedules by RIOC with M/WBEs; and
- e) Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for M/WBE participation.

The Contractor shall use good faith efforts to utilize any MBE or WBE identified on the Vendor/Contractor's Utilization Form during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to the award of the Contract may be made at any time during the term of the Contract to RIOC in writing, but must be made no later than prior to the submission of a request for final payment on the Contract. For guidance on how RIOC will determine a Contractor's "good faith efforts", refer to N.Y. Comp. Codes R. & Regs. Tit. 5, Ch. 1, Pt. 142.8. Joint ventures with Minority and Women-Owned Business Enterprises will be considered toward meeting the goals.

Commencing not more than 30 days after (i) execution of the Contract, or (ii) start of the work, the Contractor shall submit to the RIOC a Contractor's Quarterly M/WBE Contractor Compliance & Payment Report of the workforce actually utilized on the project, itemized by ethnic background, gender, and Federal Occupational Categories or other appropriate categories specified by RIOC. Contractor shall also submit a Workforce Utilization Report and shall require each of its subcontractors to submit a Workforce Utilization Report, in such form as shall be required by RIOC on MONTHLY/QUARTERLY basis during the term of the Contract. Separate forms shall be completed by the Contractor and any subcontractors. Pursuant to Executive Order #162, contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the Contract on a quarterly basis.

Accuracy of the information contained in the reporting documentation (Workforce Utilization Report and Contractor's Quarterly M/WBE Contractor Compliance & Payment Report) shall be certified to by an owner or officer of the Contractor.

In accordance with Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, age, disability or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this Contract shall be performed within the State of New York, the Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, the Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Contract.

In the event RIOC determines a Contractor to be non-compliant with Article 15-A M/WBE requirements, RIOC will notify said Contractor in writing of the delinquency. The written notice will provide a specified time within which the Contractor may cure any delinquency, as outlined in section 142.12 of Title 5 of the New York Codes, Rules and Regulations. In addition, the notice may propose an action to correct the problem and provide the contractor an opportunity to propose a suitable, alternative corrective action. In the event that the parties are

## **APPENDIX B – STANDARD CONTRACT**

unable to resolve the dispute, RIOC may refer the matter to the Division of Minority and Women’s Business Development for resolution in accordance with section 142.12 of Title 5 of the New York Codes, Rules and Regulations.

RIOC and the Contractor recognize the necessity of correcting the effects of discrimination in public procurement and that the socio-economic benefits and enforcement of the non-discrimination provisions set forth herein are significant but will include items of loss whose amounts will be incapable or very difficult of accurate estimation. As such, in accordance with 5 NYCRR §142.13, the Contractor acknowledges that if it is found by RIOC to have willfully and intentionally failed to use good faith efforts (as defined in N.Y. Comp. Codes R. & Regs. Tit. 5, Ch. 1, Pt. 142.8) in order to comply with the M/WBE participation goals set forth in the Contract, such finding constitutes a material breach of contract and RIOC may withhold payment from the Contractor not as a penalty, but as liquidated damages. Such liquidated damages shall be calculated as ten percent (10%) of the difference between (1) all sums identified for payment to M/WBEs had the Contractor achieved the contractual M/WBE goals and (2) all sums actually paid to M/WBEs for work performed or materials supplied under the Contract. In the event a determination has been made which requires the payment of liquidated damages and such sums have not been withheld by RIOC, the Contractor shall pay such liquidated damages to RIOC within sixty (60) days after they are assessed unless prior to the expiration of such sixtieth day, the Contractor shall file a complaint with the Director of the Division of Minority and Women's Business Development in the Department of Economic Development (the “Director”) pursuant to subdivision 8 of section 313 of the Executive Law in which event the liquidated damages shall be payable if Director renders a decision in favor of RIOC.

## APPENDIX B – STANDARD CONTRACT

### SERVICE-DISABLED VETERAN-OWNED BUSINESS ACT REQUIREMENTS

Pursuant to New York State Executive Law Article 17-B, also known as “Service-Disabled Veteran-Owned Business Act,” (“Article 17-B”) RIOC recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified Service-Disabled Veteran-Owned Business Enterprises (SDVOBs) and the employment of service-disabled veterans in the performance of RIOC contracts. The Contractor agrees to be bound by the provisions of Article 17-B and the Service-Disabled Veteran-Owned Business Enterprise Program (9 NYCRR Part 252), promulgated by the Division of Service-Disabled Veterans’ Business Development in the Office of General Services (the "Division"). If any of the terms or provisions of this Contract conflict with applicable law or regulations, such laws and regulations shall supersede these requirements.

New York State (the "State") is home to more than 900,000 veterans, seventy-two percent of whom have served during periods of conflict. Additionally, the State is home to approximately 30,000 active duty military personnel as well as 30,000 national guard and reserve personnel. In honor of their service to and sacrifice for our nation, New York State declared that it is the public policy of the State to promote and encourage the continuing economic development of service-disabled veteran-owned businesses. In the furtherance of this policy, the state aims to assist service-disabled veterans in playing a greater role in the economy of the state and to provide additional assistance and support to disabled veterans to better equip them to form and expand small businesses, thereby enabling them to realize the American dream they fought to protect. To achieve this objective without disrupting the procurement practice and priorities already in law, the legislature finds that it is in the best interest of the economic development of the state to enact the "Service-Disabled Veteran-Owned Business Act".

The Contractor agrees, to the maximum extent practical and consistent with legal requirements of the State Finance Law, the Executive Law and any implementing regulations, to use NYS certified Service-Disabled Veteran-Owned Business Enterprises in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Contractor acknowledges being subject to the provisions of Executive Law Article 17-B and the applicable regulations (9 NYCRR Part 252), and that the directory of NYS certified SDVOBs is located at: [http://ogs.ny.gov/Core/docs/CertifiedNYS\\_SDVOB.pdf](http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf).

The Contractor acknowledges that the SDVOB utilization goal for this Contract is 6 %. Contractor further acknowledges that this requirement is separate and distinct from the similar requirement elsewhere in this Contract to utilize minority and women-owned businesses (M/WBEs), consistent with current State law (Executive Law, Article 15-A).

The Contractor agrees to report on actual participation by each SDVOB during the term of the contract to RIOC on a quarterly basis.

The Contractor agrees that, following contract execution, if RIOC determines that the Contractor may not have acted in good faith, has failed, is failing, or is refusing to comply with the participation or utilization contractual goals for SDVOB participation, RIOC may after giving the Contractor an opportunity to be heard, make a determination that Contractor has failed to meet the contract goals and may be in breach of contract.

Upon determination that the Contractor is in breach of contract, as set forth in this Section, RIOC may require the submission of a corrective action plan for meeting the contractual goals, and may also assess actual damages as authorized by regulation [9NYCRR Section 252.2 (s)] based on the actual cost incurred by RIOC, related to

## **APPENDIX B – STANDARD CONTRACT**

RIOC's expenses for personnel, supplies and overhead related to establishing, monitoring, and reviewing certified service-disabled veteran-owned business enterprise programmatic goals.

**Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility or breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract and at law.**

### **SECTION 21 – ENVIRONMENTAL PROTECTION**

The Contractor certifies and warrants that all heavy duty vehicles, as defined in New York State Environmental Conservation Law ("ECL") §19-0323, to be used under this Contract, will comply with the specifications and provisions of ECL §19-0323 and any regulations promulgated pursuant thereto, which requires the use of Best Available Retrofit Technology ("BART") and Ultra Low Sulfur Diesel ("ULSD"), unless specifically waived by the New York State Department of Environmental Conservation ("DEC"). Qualifications for a waiver under this law will be the responsibility of the Contractor.

### **SECTION 22 - MATERIALS AND WORKMANSHIP**

The Contractor hereby agrees and guarantees that all Services furnished under the Contract will conform to the terms of this Contract, as to kind, quality, function, design and characteristics of materials and workmanship. The Contractor shall adhere to professional standards and shall reprocess at its expense, all work necessary to correct errors directly caused by malfunction of the Contractor's machines or mistakes of Contractor's Personnel. RIOC agrees to cooperate with the Contractor in the performance of the Services hereunder, including without limitation and upon prior consent of RIOC's designated representative, providing consultant with reasonable and timely access to facilities, data, information, and RIOC personnel.

The Contractor shall promptly correct Services rejected by RIOC or deemed by RIOC to be defective or failing to conform to the requirements of the Contract. The Contractor shall bear all costs of correcting such Services, including, without limitation, additional testing and inspections.

The Contractor warrants that the Services will be of good quality and new unless otherwise required or permitted by the Contract, and that the Services will be free from defects not inherent in the quality required or permitted and will conform to the requirements of the Contract.

If, within one (1) year after substantial completion, the Services are found to be not in accordance with the Contract requirements, the Contractor shall correct it promptly after receipt of written notice from RIOC.

Nothing contained herein shall be construed to establish a period of limitation with respect to other obligations the Contractor might have under the Contract. Establishment of the time period of one (1) year as provided above relates only to the specific obligation of the Contractor to correct the Services, and has no relationship to the time within which proceedings may be commenced to establish the Contractor's liability with respect to the Contractor's obligations.

If the Contractor fails to correct defective or non-conforming Services as required or fails to carry out Services in accordance with the Contract, RIOC, by written order, may order the Contractor to stop the Services, or any portion thereof, until the cause for such order has been eliminated.

## **APPENDIX B – STANDARD CONTRACT**

If the Contractor defaults or neglects to carry out the Services in accordance with the Contract and fails within five (5) business days after receipt of written notice from RIOC to commence and continue correction of such default or neglect with due diligence and promptness, RIOC may, without prejudice to other remedies RIOC may have, correct such deficiencies and the costs of correcting such deficiencies shall be deducted from payments to the Contractor. If the payments then or thereafter due the Contractor are not sufficient to cover such costs, the Contractor shall pay the difference to RIOC.

### **SECTION 23 - PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS**

The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by RIOC. Qualification for an exemption under this law will be the responsibility of the Contractor to establish to meet with the approval of RIOC.

In addition, when any portion of this Contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in Section 165 of the State Finance Law. Any such use must meet with the approval of RIOC; otherwise, the bid may not be considered responsive. Under Bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of RIOC.

### **SECTION 24 - IRAN DIVESTMENT ACT**

By entering into this Agreement, Contractor certifies in accordance with State Finance Law Section 165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerors pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at:

<http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by RIOC.

During the term of the Contract, should RIOC receive information that a person (as defined in State Finance Law Section 165-a) is in violation of the above-referenced certifications, RIOC will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then RIOC shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

RIOC reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited

Furthermore, the Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the New York State Labor Department in accordance with the Labor Law.

### **SECTION 27 - CLAIMS AND DISPUTE RESOLUTION**

(a) The Contractor shall proceed with the Services promptly as instructed or ordered by RIOC. The Contractor shall have no right to suspend all or any part of the Services or refuse to comply with any written instruction, direction or order of RIOC pending resolution of any dispute or for any other reason, provided that RIOC continues to make payments of undisputed amounts as provided in the Contract. Any such suspension or refusal will be a material breach of the Contract. The Contractor may preserve whatever right, if any, the Contractor may have to make claim with respect to any written instruction, order, direction, action or inaction of RIOC or others by giving notice as required by paragraph (b) of this Section 27 and by advising RIOC in writing, prior to proceeding with the Services in question, that the Contractor is proceeding under protest.

(b) The Contractor must give written notice to RIOC of any claim by the Contractor for extension of time, extra compensation, price increase or damages of any sort within five (5) business days after the Contractor first learns of the act, omission, occurrence or circumstance on which the claim is based. The purpose of this notice is to give RIOC prompt opportunity (a) to cancel or revise orders or directions, change plans, mitigate or remedy circumstances giving rise to the claim or to take other action that may be desirable; (b) to monitor and verify the facts and circumstances as they occur; and (c) to verify any costs and expenses claimed by the Contractor contemporaneously as they are incurred. Written notice is required whether or not RIOC is aware of the facts and circumstances that constitute the basis of the Contractor's claim, and no action, inaction, or conduct of RIOC or any other person will be regarded as a waiver of such notice requirement except only a statement to that effect signed by RIOC. Failure of the Contractor to give written notice as required shall be deemed conclusively to be a waiver and release of any claim, and such notice shall be a condition precedent to the Contractor's right to make any claim arising out of, under or in connection with the Contract or its performance of the Services. Notice pursuant to this paragraph (b) of Section 27 shall be addressed and sent to RIOC in accordance with Section 36 of these General Conditions. Notice of claim given to any person other than RIOC shall not constitute notice to RIOC.

## **APPENDIX B – STANDARD CONTRACT**

If RIOC determines that a Claim shall be submitted to arbitration, such arbitration shall be before the American Arbitration Association ("AAA") in New York County (or another arbitration tribunal of RIOC's choosing) with the parties sharing equally in the costs of the arbitration process and each party bearing their own legal costs and expenses. Further, it shall be in RIOC's sole discretion whether the arbitration shall be before one or three arbitrators. Judgement on an arbitration award may be entered in any court having jurisdiction. This clause shall not preclude parties from seeking provisional remedies in aid of arbitration from a court of competent jurisdiction.
